

Building Committee Minutes

August 7 2019

Present:

Eva Taylor-Sholes, Joan McCadden, Kyle Menard, Jim Dillon, Barb Clemens, Linda Daly, Jill Fudo, Gayle James

The committee filled in a preliminary set of planning worksheets for each area of the library. These worksheets will be used to aid in the design of each individual space and the overall design of the library.

This process will also aid in planning for the proper mix of resources, programs and services.

More detail will be added as the process moves along.

A meeting is scheduled for October 8th at 6:00 pm, but a meeting in September may be held. A notice will be sent out to members if that meeting is scheduled.

Respectfully submitted,

Gayle James
