Every effort will be made to ensure procedurally sufficient safeguards to maintain the personal confidence and confidentiality about persons who have communicable diseases.

Performance evaluation should be an on-going process of two-way communication, with the goal of recognizing and rewarding good performance, surfacing and resolving mutual concerns, and avoiding surprises during formal annual reviews.

The Director will be formally evaluated annually by the Board's Personnel Committee. All other employees will be evaluated annually by the Director. Job performance, achievement of goals, and other considerations should be discussed, and goals should be established for the coming year. Records of performance evaluations are retained in each employee's personnel file.

NEW YORK STATE PAID FAMILY LEAVE OVERVIEW

Source: <https://paidfamilyleave.ny.gov>

New York Paid Family Leave provides job-protected, paid time off so you can:

- Bond with a newly born, adopted or fostered child,
- Care for a close relative with a serious health condition, or
- Assist with family situations when a family member is deployed abroad on active military service.

You can continue your health insurance while on leave and are guaranteed the same or comparable job after your leave ends. If you contribute to the cost of your health insurance, you must continue to pay your portion of the premium cost while on Paid Family Leave.

BENEFITS - TIME

Paid Family Leave benefits phase in over four years, providing up to eight weeks of leave for employees who started Paid Family Leave in 2018; 10 weeks for leave starting in 2019 and 2020; and 12 weeks in 2021. Leave can be taken either all at once or intermittently, but must be taken in full-day increments. You may take the maximum time-off benefit in any given 52-week period.

BENEFITS - PAY

Paid Family Leave pay benefits also phase in over the same four year period. Benefits are a percentage of your average weekly wage, capped at that same percentage of the New York State Average Weekly Wage, as calculated annually by New York State Department of Labor. These benefits are 50% of your average weekly wage for Paid Family Leave that started in 2018, 55% in 2019, 60% in 2020, and 67% in 2021.

Example 1: An employee who earns \$1,000 a week in 2019 would receive a benefit of \$550 a week (55% of \$1,000). In 2020, that employee would receive a benefit of \$600 a week (60% of \$1000).

Example 2: An employee who earns \$2,000 a week in 2019 would receive a benefit of \$746.41. This employee's benefit is capped at 55% of New York State's Average Weekly Wage, currently \$1,357.11, which equals \$746.41.

ELIGIBILITY

All eligible employees are entitled to participate in Paid Family Leave.

- Full-time employees: Employees who work a regular schedule of 20 or more hours per week are eligible after 26 consecutive weeks of employment.
- Part-time employees: Employees who work a regular schedule of less than 20 hours per week are eligible after working 175 days, which do not need to be consecutive.

Employees are eligible regardless of citizenship and/or immigration status.

FUNDING

Paid Family Leave is funded through employee payroll contributions that are set each year to match the cost of coverage. The rate of employee contributions is reviewed annually, and is subject to change by New York State Department of Financial Services.

QUALIFYING EVENTS

- New Child: You can take Paid Family Leave during the first 12 months following the birth, adoption, or fostering of a child. Expectant mothers cannot take Paid Family Leave for their own pregnancy. Paid Family Leave for the birth of a child begins after the birth. It is not available for prenatal conditions.
- Serious Illness: You can take Paid Family leave to care for a close relative with a serious health condition. These relatives can live outside of New York State and even outside the country. You cannot take Paid Family Leave for your own health condition.

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves: Inpatient care in a hospital, hospice, or residential health care facility, or continuing treatment or continuing supervision by a health care provider.

A close relative includes: spouse; domestic partner; child and stepchild; parent and stepparent; parent-in-law; grandparent; and grandchild
